

BGA Sales & Leasing Consignment Program

At BGA Sales & Leasing, our goal is to develop strong and honest relationships with all of our customers. Our consignment program is no different. When you bring your vehicle to us, it will be prepared for sale. There is a fee to leave your vehicle with us. This fee is 3% of the asking price (max \$150). There is also a daily storage fee. We will perform an inspection on your vehicle, and advise you as to any necessary repairs we feel would help ease the sale of your vehicle, which you may or may not perform at your convenience. Initial _____ Initial _____

To help us successfully sell your vehicle we will need the following page of information completed. We also need a clear title to the vehicle (or notarized power of attorney), and any and all records you have, permission from you to seek any records we need from those who serviced your vehicle in the past, and all keys/accessories to your vehicle that will be included in the sale. We will also need complete current contact information for you. Initial _____ Initial _____

We will work with you to determine a reasonable price to begin marketing your vehicle in relation to your vehicle's condition and the current national market. We will check in with you bi-monthly throughout the time that your vehicle is on our lot to let you know about any leads we have. As we get a better feel for the market concerning your vehicle, we may recommend lowering the asking price in order to increase the sale possibilities; however we will not do this without your approval. If we are working with a potential buyer and we feel that they have made an offer that may be acceptable to you, but is lower than our current agreed upon price, we will do our best to contact you immediately to approve the price with you. If you are not available, we will wait until we have discussed the situation with you before moving on with the deal. Initial _____ Initial _____

After the sale of your vehicle, we will contact you within three business days. We will arrange a time to meet, where we will sit down and finalize our relationship. Based on the selling price of the vehicle, we will deduct 5% and give you a check within 10 days from the date of sale. Initial _____ Initial _____
